Hi Dan,

David will be able to come tomorrow for the formation testing, but I have a site visit for another facility already scheduled and cannot make it. Please let David know when you plan to begin and when the 8-hour decision point will likely be.

Thanks,
Maribeth

Hi Maribeth,

As we discussed earlier today, it looks like we are on schedule to begin the formation testing of the four corner extraction wells on Thursday, May 24th. We look forward to having you and Dave Haag that day to observe the test.

Cheers,
